I like Liz's idea of putting it to a vote. Let's narrow it down to three and then vote at the next meeting. However, if you have comments or ideas, like Blair's to use Central, send them over and I'll get some mock ups.

Here are some more logos, attached. These keep the name Central City and use the LAPD badge. The design I use also said he can add color once we select a winner.

Hello All:

Take a look at the attached Booster Logos. Please think about these and hopefully we can discuss them during the next meeting. If you have any comments please let me know so I can forward them to the artist.
